PLEDGE FORM

Thank you for your interest in supporting the teaching of Scripture (SRE)¹ in our local government primary and high schools.

The aim of this service is to provide a biblically-based ministry which presents the truth about Jesus Christ to students, while imparting a Christian worldview.

For this ministry to continue and flourish, we need to increase the support base in and around Bathurst, If you are able, we would greatly appreciate it if you could fill in your details below indicating the level of your support that you are able to offer.

Having committed supporters will enable us to continue and develop Scripture teaching in the confidence that we can sustain the financial and other commitments that we make, meaning that many children who would not otherwise do so, will be introduced to the Gospel of Jesus Christ.

Also, by filling in your personal details below, we will send you a newsletter to keep you informed about the ministry, and how you can pray and otherwise assist.

Please tick the appropriate box:

- I will pray for this vital ministry of taking the Gospel to students in Bathurst schools.
